Motivation to work

**It is essential to encourage each other.**

Equality

**Everyone will have the same treatment.**

Justified membership

**As a member, You should feel like that.**

# I will be.

I will lobby for you and unite the community, every member is equally important.

Support you with my knowledge and experience.

I will be your voice, but also your ear to listen to.

# Final thought

*This is another challenge in my life, which I will accept with all my heart and do my best for the betterment of our community. We are stronger together, and WACS as a global umbrella organization has its weight, our membership in it should be used to the full. If we start behaving like brothers and sisters, instead of against each other, we have a chance, despite the crisis knocking on our door, to achieve great results for the benefit of Us all.*
